

When the Shuttered Venue Operators Grant applications open, specific documents will be needed to support grant requirements and eligibility, as per required by the Economic Aid Act.

All documents will need to be legible and certification documents will need to be signed and dated. **This is not an all-inclusive list and additional documents may be required to meet eligibility and compliance.**

The SVOG application process is still under development and this list is subject to further refinement. Detailed document descriptions can be found following the list.
